**(EXCEPT INTERNATIONAL MANAGEMENT, MARKETING MANAGEMENT**  
**and JOINT PROGRAMS WITH THE POLITECNICO di MILANO)**

The exam **timetable** is scheduled in periods (including 1 or more sessions) that do not coincide with the periods when lessons are held.

All courses have 3 exam sessions, for foreign languages the number of exam session depends on the language chosen by the student. Exam distribution includes 2 sessions held at the end of the teaching semester; the third session (the last one) is considered a supplementary session. Lessons are suspended at mid-semester in both the first and second semester for 1st partial exams. 2nd partial exams are held at the end of the semester of lessons. The dates of partial exams may or may not coincide with the dates fixed for general exams. Students can take exams in all sessions once the semester lessons included in their study plan have finished. For some types of exams and for some courses, there can be some limitations to access the exams.

Students enrolled in the 2-y Degree Programs in Cyber Risk Strategy and Governance and Transformative Sustainability (Joint Programs with the Politecnico di Milano) and students enrolled for the a.y. 2024/25 in International Management and Marketing Management will have dedicated exam session calendars that will be published later.

- the 4 sessions for **Professional English Seminars** will be held in: January - first period, January-second period, June, August/September; **in addition**, at the end of each half a semester, sessions **for students enrolled in relating teaching class group only** will be held in: October, December, March and May;
- if students choose a course relating to the 5-y. Program [Law] as an elective course, they make use of the number of sessions provided for in the exam calendar of such Study Program;
- there is a reserved exam session for 1st semester courses scheduled during the 9 to 21 December 2024 period, open only to those students who:
  1. are participating in Exchange, Double Degree Essec, Master CEMS, and Free-Mover Programs abroad in the second semester of the 2024-2025 academic year;
  2. are incoming 1st semester of 2024-2025 a.y. (exchange, single courses for visiting students, and Double Degree students staying in Bocconi from the second semester of the 1st year to the first semester of the 2nd year);

There is **NO** overlapping between compulsory course exam sessions of the same year of studies, same semester and Master of Science degree program; therefore, no two exams on the same day are usually scheduled except for October/December as the available exam days are limited. These non-overlapping rules refer **ONLY** to compulsory courses of the year of the program in which the student is enrolled and therefore cannot refer to exams for courses that have not been passed related to previous years and/or elective courses. Regarding electives, however, they may be present in more than one major. Therefore, the avoidance of timetable clashes is only guaranteed for Major compulsory courses.

### Exam timetable

The exam timetable for the October 2024 - September 2025 period is published not later than the end of July on the Bocconi website at [www.unibocconi.eu/exams](http://www.unibocconi.eu/exams).

Personalized exam timetables can be viewed on the [yoU@B](#) student Diary.

The different types of exams are identified in the exam timetable by the following letters:

- **I** Partial exam
