

## NOTES FOR THE CONSULTATION OF THE EXAM CALENDAR MASTER OF SCIENCE PROGRAMS

The exam **timetable** is organized in periods that do not coincide with the periods when lessons are held. All courses have 3 exam sessions, for foreign languages the number of exam session depends on the language chosen by the student. Exam distribution includes 2 sessions held at the end of the teaching semester; the third session (the last one) is considered a supplementary session. Lessons are suspended at mid-semester in both the first and second semester for 1st partial exams. 2nd partial exams are held at the end of the semester of lessons. The dates of partial exams may or may not coincide with the dates fixed for general exams. Students can take exams in all sessions once the semester lessons included in their study plan have finished. For some types of exams and for some courses, there can be some limitations to access the exams.

Students enrolled in the MSc in Cyber Risk Strategy and Governance and the MSc in Transformative Sustainability (Joint Programs with the Politecnico di Milano) and students enrolled for the a.y. 2022/23 in the first year of the MSc program in International Management will have dedicated exam session calendars that will be published later.

For students enrolled in Master of Science programs the exam **periods** are organized as follows:

**(\*) In the period 12-22 December 2022 an exam session open to all enrolled students is scheduled for 1/2 compulsory course for degree program – first year replacing the January – first period- 2023 exam session which a consequence will not be scheduled**

**(\*\*)** For the compulsory courses, compulsory courses to be chosen by the students, curriculum compulsory courses and for the elective courses included in A,B, C groups of the ESS MSc program, the second partial exam if written is generally scheduled in both sessions of the exam periods at the end of the exam periods.

As a consequence, for the course typologies above, a second partial exam is generally scheduled:

- **with reference to the 1st semester**, in the period 23 January to 4 February 2023 as an alternative to the partial exams session of the period 9 – 21 January 2023 (or to the one scheduled for the period 12 - 22 December 2022 if it is an call open to all students);
- **with reference to the second semester**, a second partial exam is generally scheduled in the period 1 to 21 June 2023 as an alternative to the partial exams session of the period 15 - 31 May 2023.

**There are rules and limitations to access the second partial exam, for all details check paragraph 7.6. Exam registration procedure in the Guide to the University.**

## Note

- "Session" refers to both exams of the current year and the previous years;
- the **third session** for second semester courses will be held in **October 2023**;
- the sessions for **French, Spanish, Italian, German** will be held in: December, January (first and second period), March, June, August/September;
- the session for **Professional English Seminars** will be held in: January - first period, January-second period, June, August/September; **in addition**, at the end of each half a semester, sessions **for attending students only** will be held in: October, December, March and May;
- if students choose a course relating to the Integrated Master of Arts in Giurisprudenza [Law] as an elective course, they make use of the number of sessions provided for in the exam calendar of such Study Program;
- there is a reserved exam session for 1st semester courses scheduled during the 12 to 22 December 2022 period, open only to those students who:
  1. are participating in Exchange, Master CEMS, and Free-Mover Programs abroad in the second semester of the 2022-2023 academic year;
  2. are incoming 1st semester of 2022-2023 a.y. (exchange, single courses for visiting students, and Double Degree students staying in Bocconi from the second semester of the 1st year to the first semester of the 2nd year)
  3. are carrying out internships in Italy or abroad over the January - February 2023 period.

With reference to such reserved session we would like to specify that Students **CANNOT** sit exams for **previous year's courses which have not yet been passed**, only students whose teaching activities described in points 1 and 3 will start before the end of the February exam period (4 February 2023) are admitted to the additional session.

There is **NO** overlapping between compulsory course exam sessions of the same year of studies and Master of Science degree program; therefore no two exams on the same day are usually scheduled except for October/December as the available exam days are limited. As far as electives are concerned, they may be present in more than one major. Therefore, the avoidance of timetable clashes is only guaranteed for Major compulsory courses.

## Exam timetable

The exam timetable for the October 2022 - September 2023 period is published not later than the end of July on the [University Internet site](http://www.unibocconi.eu/exams) at [www.unibocconi.eu/exams](http://www.unibocconi.eu/exams).

During the year the timetable of an exam session may be changed (only to a later date or time), in which case students do not need to re-register for the exam since their registration is automatically transferred to the new timetable. Exam dates are updated daily on the Internet site.

Personalized exam timetables can be viewed on the [yoU@B](#) student Diary.

The different types of exams are identified in the exam timetable by the following letters:

- **I** Partial exam
- **S** Written exam
- **O** Oral exam
