

**NOTES FOR THE CONSULTATION OF THE EXAM CALENDAR
MASTER OF SCIENCE PROGRAM IN INTERNATIONAL MANAGEMENT
2023-2024 A.Y.**

The exam timetable is scheduled in periods (including 1 or more sessions) that do not coincide with the periods when lectures are held.

All courses have 3 exam sessions, for languages the number of exam session depends on the language chosen by the student.

For the Master of Science in International Management, exam sessions for **first-year courses** are allocated exclusively for general exams: 1 exam at the end of half-semester lectures and 1 exam at the end of the semester; the third and last session is considered a supplementary session.

For the allocation of exam sessions for **second-year courses** students should follow the exam timetable for all other economics-management MSc programs (see the calendar).

Students can take exams in all sessions once the half-semester lectures included in their study plan have finished. For some types of exams and for some courses, there may be some limitations to access the exams.

For first-year students enrolled in the MSc in International Management, the exam periods are organized as follows.

Notes on consulting of the exam calendar

- "Session" refers to both exams of the current year and the previous years.

There is NO overlapping between compulsory course exam sessions of the same year of studies and Master of Science degree program; therefore no two exams are usually scheduled on the same day.

Calendario

The exam timetable for the October 2023 - September 2024 period is published by the end of July on the University website at www.unibocconi.eu/exams.

The timetable of an exam session may be changed during the year (only to a later date or time). In that case, students do not need to re-register for the exam since their registration is automatically transferred to the new timetable.

Exam dates are updated daily on the website. In addition, any changes to the exam timetable can be viewed on the yoU@B student Diary.

The different types of exams are identified in the exam timetable by the following letters:

- S Written exam
- O Oral exam
