

**NOTES FOR THE CONSULTATION OF THE EXAM CALENDAR
 MASTER OF SCIENCE PROGRAMS IN INTERNATIONAL MANAGEMENT AND MARKETING
 MANAGEMENT
 2024-2025 A.Y.**

The exam calendar is scheduled in periods (including 1 or more sessions) that do not coincide with the periods when lectures are held.

All courses have 3 exam sessions, except for languages for which the number varies depending on the language chosen by the student.

For the Master of Science programs in International Management and Marketing Management, exam sessions for **first-year bimester courses** are allocated exclusively for general exams: 1 exam at the end of bimester lectures and 1 exam at the end of the semester; the third and last session is considered a supplementary session.

The allocation of exam sessions for first-year semester-long courses calls for 2 exams at the end of the semester; the third and last session is considered a supplementary session. For these courses, lectures will be suspended for a period in the middle of the semester for the first partial exam. The second partial exam, on the other hand, takes place at the end of the semester. The dates of the partial exams may or may not coincide with the dates set for the general exams of the regular session.

For the allocation of exam sessions for **second-year courses**, students should follow the exam calendar for all other Economics-Management MSc programs (see the calendar).

Students can take exams in all sessions once the period (bimester or semester) lectures included in their study plan have finished. For some types of exams and courses, there may be some limitations to access the exams.

For first-year students enrolled in the MSc programs in International Management and Marketing Management, the exam periods are organized as follows.

Notes on consulting of the exam calendar

- "Session" refers to both exams of the current year and the previous years.

There is NO overlapping between compulsory course exam sessions of the same year of studies and the Master of Science degree program; therefore no two exams are usually scheduled on the same day.

Exam timetable

The exam calendar for the October 2024 - September 2025 period is published by the end of July on the University website at www.unibocconi.eu/exams.

The exam sessions may be changed during the year (only to a later date or time). In that case, students do not need to re-register for the exam since their registration is automatically transferred to the new timetable. Exam dates are updated daily on the website. In addition, any changes to the exam calendar can be viewed on the yoU@B student Diary.

The different types of exams are identified in the exam calendar by the following letters:

- I Partial Exam
- S Written exam
- O Oral exam
