MEDIA APPEARANCES

Over the years, I made continuous media appearances in the UK and beyond in print, online, radio and TV media. Examples include BBC News, Sky News, BBC World, BBC Newsnight, German ZDF and ARD News, Dutch NOS News, Buitenhof, The Financial Times, The Guardian, The Washington Post, The Wall Street Journal, Die Zeit, Die Welt, Die Sueddeutsche Zeitung, Le Monde, Liberation, El Pais, BuzzFeed, Politico, Newsweek, and many others.

CONSULTANCY PROJECTS

Over the past years, I work as a political consultant for the German Bertelsmann Foundation and advise them on public opinion polling in the EU. We now conduct bi-annual surveys called eupinions. Previously, I have been involved in projects aimed at developing new programmatic approaches for mainstream parties, such as the Next Left program of the Foundation for European Progressive Studies (FEPS) headed by former Chancellor of Austria Alfred Gusenbauer or the Compass Group of the Dutch Labour Party. As a political consultant and academic, I have been hired to speak at a variety of events organised by Policy Network, FEPS, Harvard University, Brown University, Oxford University, the Hertie School of Governance, the Said Business School, the Dutch, German and Danish Labour Party that brought together a small group of academics, senior politicians and strategic thinkers from across Europe, the US and India. I am also frequently invited to advise Dutch and British policy makers and ambassadors to address questions concerning the rise of political extremism and Euroscepticism, including the Foreign Office or DEXEU.

METRICS

I have an H-Index of 35 and my publications have an overall count of about 7000 citations. I have published three books and over 40 internationally peer-reviewed articles. In addition, I have written over a dozen of policy reports, blogs post and chapters in several edited volumes or encyclopaedias.
